Professional Summary

Technically skilled IT Infrastructure Technician with expertise in Networking, Cybersecurity, and Cloud technologies. Proven ability to design secure networks and automate infrastructure. Actively seeking international internship or junior-level opportunities.

Education

Baccalauréat Sciences Physiques, Lycée Qualifiant – Fès, Morocco

Graduated in 2021 - 2022

Centre Mixte de Formation Professionnelle El Adarissa, Digital Infrastructure
(Network & Systems) – Fès, Morocco

Sept 2023 – June 2025

Graduated with diploma.

Final-year project focused on network security using SDN and web-based infrastructure management tool development.

Courses

CCNA1-24 – Présentation des réseaux

Dec 2024

CCNA2-24 – Switching, Routing, and Wireless Essentials (SRWE)

Dec 2024

CCNA3-24 – Enterprise Networking, Security, and Automation

Apr 2025

Network Security-24-25 – Network Security

Apr 2025

Experience

Université Privée de Fès (UPF) — Intern – IT & Network Infrastructure

Fès, Morocco

- Built an SDN-based flood attack detection system using Mininet & Ryu with real-time IP blocking and email alerts.
- Developed a Flask application to manage suppliers, orders, and auto-generate PDF/Excel reports.
- Contributed to system configuration, documentation, and weekly team meetings.

Apr 2025 – May 2025

Technical Skills

Networking: Configuration of routers/switches; protocols (OSPF, RIP, VLAN, VPN, NAT, ACL...).

Windows Server: DNS, DHCP, Active Directory, GPO, user and group management.

Linux Systems: SSH, DNS, DHCP, user management, system security, Bash scripting.

Cybersecurity & SDN: ICMP flood detection using Mininet & Ryu (OpenFlow), ACL security, firewall setup, DoS/DDoS prevention.

Cloud – Azure: Deployment of VMs, virtual networks, firewall configuration, access management.

Virtualization: VMware, Hyper-V, basic SDN integration.

Productivity Tools: LibreOffice, Microsoft Office (Word, Excel, PowerPoint, Outlook).

Soft Skills: Communication, documentation, teamwork, problem-solving, self-learning.

Languages

ARABIC: Native speaker

| **ENGLISH:** (B1 -B2)

| **FRENCH:** working knowledge

Additional

Fast learner with strong adaptability to new technologies. Open to international relocation and remote work.
